

YOU HAVE BEEN PRESCRIBED A RESPIRATORY DEVICE FROM BAXTER. WHAT HAPPENS NEXT?

Your physician sends your prescription to Baxter.

The **CARE Connex** team calls you to:

- Review the prescribed therapy
- Verify your insurance information and coverage
- Obtain your medical history

An in-home licensed clinician calls to arrange a home visit.

Clinician comes to your home. The Clinician will:

- Train you on the device
- Answer questions
- Review and complete paperwork

After your initial home visit, a clinician from the the **CARE Connex** team will conduct follow up calls and visits based on your therapy.

NOTE: Calls from the **CARE Connex** team may come from unidentified numbers.
