Dear Valued Customer,

Per the May 1, 2018 communication, we are issuing this letter to inform you that Welch Allyn has discontinued manufacture of the Connex® Vital Signs Monitor (CVSM) 6400 and 6500 Series on September 30, 2018 globally. We will continue to manufacture the CVSM 6700 and 6800 Series.

If you have recently purchased a CVSM 6400 or 6500, be assured we are not leaving you behind. Welch Allyn is committed to providing service for your CVSM 6400 or 6500 Series for a period of up to five years, provided parts and components are available from our suppliers. Additionally, we will continue to provide Partners in CareSM support services to help ensure many years of useful life. Included with Partners in Care agreements are guaranteed loaner units, free expedited shipping, expedited repair and comprehensive accessory protection.

As replacement options for the CVSM 6400 and 6500 Series, depending on the features needed, there may be options within the CVSM 6700 and 6800 Series or within the Connex® Spot Monitor line; please see the attached part number chart.

Please contact our customer service department or your Welch Allyn representative to learn more about Connex products or if you have any questions regarding this notice.

Sincerely,

Tiffany Moon
