## Notice of Discontinuation

### Welch Allyn® KleenSpec® 580 Series Disposable Vaginal Specula with Attached Sheath

To: Hillrom Distributors, Dealers and Customers

This letter is to serve as formal notice that the KleenSpec 580 Series Disposable Vaginal Specula with Attached Sheath line of products will no longer be manufactured. Orders will continue to be fulfilled until inventory is exhausted.

#### The following is a list of part numbers affected by this discontinuation:

**58000S** – Welch Allyn KleenSpec 580 Series Disposable Vaginal Specula with Attached Sheath, Small; Qty. 72 (18/box; 4 boxes/case)

**58001S** – Welch Allyn KleenSpec 580 Series Disposable Vaginal Specula with Attached Sheath, Medium; Qty. 72 (18/box; 4 boxes/case)

**58004S** – Welch Allyn KleenSpec 580 Series Disposable Vaginal Specula with Attached Sheath, Large; Qty. 48 (12/box; 4 boxes/case)

Hillrom recommends transitioning to the newer KleenSpec 590 Series Premium Disposable Vaginal Specula. This product line offers a smooth acrylic design for clarity and strength. The product line is available in different sizes and each is compatible with Welch Allyn's Corded and Cordless Illumination systems. Disposable sheaths, which cover the exposed portion of the illuminator, are sold separately.

#### Recommended Vaginal Specula:

**590XS** – X-small (24/box; 4 boxes/case)

**59000** – Small (24/box; 4 boxes/case)

**59001** – Medium (24/box; 4 boxes/case)

**59004** – Large (18/box; 4 boxes/case)

#### Recommended Disposable Sheath products:

**58010** – Disposable Sheath for Corded Illumination System (25/box; 5 boxes/case)

**59010** – Disposable Sheath for Cordless Illumination System (100/box; 5 boxes/case)
