

June 15, 2021

Dear Valued Customer,

We are issuing this letter to inform you that Hillrom will discontinue manufacture and global sale of the Mortara Surveyor™ S19 Patient Monitors effective September 30, 2021. This impacts the products listed in Table 1 of the Appendix.

In parallel, we will discontinue sale of S4 Telemetry Monitor, Surveyor S12 Patient Monitors and Surveyor Central System outside of Clinical Research Organization (CRO) markets effective September 30, 2021. This announcement impacts the products listed in Table 2 of the Appendix.

Service and support for the impacted products will continue for up to five years from the end of sale date or until parts and accessories are no longer available. Please consult your local representative on any region specific service arrangement.

We appreciate your understanding in this matter and will continue to help you provide the best possible patient care. Please contact our customer service department at 1-800-535-6663 or your Hillrom representative with questions regarding this notice.

Sincerely,

Ching Yue Yeung
Global Category Manager, Patient Monitoring
Hillrom, Inc.
