

Hillrom™

June 27, 2022

Dear Valued Customer,

We are issuing this letter to inform you that due to low sales volumes, Hillrom will discontinue the sale and manufacture of the Surveyor Central devices effective December 31, 2022.

Hillrom will continue to provide depot repair, technical services including phone support and parts support activities on the product addressed in this notification, for up to 5 years or until parts are no longer available. Software support and upgrades will be available for up to 3 years following the end of manufacture.

A selection of the impacted part numbers is attached in Appendix A of this letter.

We thank you for your business, partnership and loyalty, and we look forward to continuing to serve your needs with other Hillrom™ products. Please contact our customer service department or your Hillrom representative with questions regarding this notice.

Sincerely,

Lillian V. O'Neill
