

June 30, 2022

Dear Valued Customer,

We are issuing this letter to inform you that due to recent supply chain constraints, as well as demand for greater contamination controls, we will no longer be including the reusable pouch in shipments with our H3+ device. Instead, customers will be provided with a sample of a disposable pouch, which is recommended for ongoing use of the device. We offer and recommend purchasing a case of 100 pouches at the time of your Holter purchase.

A selection of the impacted part numbers is attached in Appendix A of this letter.

We thank you for your business, partnership and loyalty, and we look forward to continuing to serve your needs with other **Hillrom** products. Please contact our customer service department or your Hillrom representative with questions regarding this notice.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lillian V. O'Neill', written in a cursive style.

Lillian V. O'Neill  
Sr. Product Specialist, Global Marketing  
Diagnostic Cardiology
