End of Service Support **EpiScope® Skin Surface Microscope**

REF 47300

On June 4, 2019, Hillrom announced the End of Manufacturing (EoM) of the Welch Allyn EpiScope Skin Surface Microscope (Part Number 47300) effective September 1, 2019 due to the obsolescence of critical components.

Inventory of repair parts and service replacement devices has been exhausted. Effective March 1, 2023, service support will no longer be available for the Welch Allyn EpiScope Skin Surface Microscope.
