Dear Baxter Customer,

This letter is to inform customers of the **End of Life (EoL)** of our **06000-300 BRAUN PRO 6000 W/LARGE CRADLE**, in an effort to optimize our current portfolio. If a replacement is needed, we recommend considering the **06000-200 BRAUN PRO 6000 W/SMALL CRADLE** as an alternative.

We will continue to offer product service support and accessories for the **Braun ThermoScan® PRO 6000 Ear Thermometer**.

Should you have any questions regarding this initiative, please don't hesitate to contact your local Baxter representative.

Regards,

John Lisi – Upstream Global Product Manager
